Tax Credit

Did you know that you can have your 2008 Arizona Student Tax Credit deducted directly from your paycheck? Approximately \$12 per paycheck can be deducted from now until the end of May for a total of approximately \$200.

Remember, the money you donate to Arizona tax credit will be returned to you as a credit when you file your 2008 taxes. For example,

if you donate \$200, you will get the credit for the full amount back on your taxes. If you do not owe taxes and/or receive a refund, you will receive an additional "refund" of the amount you donated.
